**Sconyers Warmbrod Capital Management Lures Wall Street Trader**  
*For immediate release*

Sconyers Warmbrod Capital Management, LLC of Franklin, Tennessee today announced the addition of Jason P. Weaver to their staff. His focus will be on portfolio management, deal sourcing, and execution.

Mr. Weaver joins Sconyers Warmbrod with investment management experience spanning financial analysis, portfolio management, proprietary trading, and risk management. He was most recently employed by UBS Investment Bank, LLC as an associate director within the firm's fixed income proprietary trading group where he was part of a small team managing a multi-billion dollar portfolio. Prior to UBS, Mr. Weaver was employed by Citadel Investment Group, LLC in Chicago working in its Emerging Markets Macro trading group.

Mr. Weaver received his bachelor's degree in Economics and Finance from Vanderbilt University, and is a Level II Candidate in the Chartered Financial Analyst Program. He resides in Nashville with his wife, Nancy.

Sconyers Warmbrod Capital Management is a private investments firm managing portfolios of investments in private businesses, real estate, and other securities for proprietary accounts, as well as, high net worth and institutional clients.
